**ARTHROPLASTY 2022**

# INVITATION

On behalf of Organizing Committee of Arthroplasty 2022, We are pleased to announce the "**2<sup>nd</sup> International Conference on Arthroplasty and Orthopedic Surgery**" scheduled during **November 28-30, 2022** at **Paris, France**. Arthroplasty 2022 Conference offers an enthusiastic opportunity for the growing generations occupied in various researches to improve their abilities in the field of Orthopedic Surgery. It will also include an extensive update on the current developments, recent innovations, new approaches, practical challenges encountered, preoperative and postoperative management in the field on orthopedics. In addition to this, the participants will learn about recent trials being practiced that are likely to influence future practices.

We cordially welcome all experts of academia, business and industry from all over the world to contribute and help to shape this conference through submissions of their research abstracts, papers and posters. Eventually, the Arthroplasty 2022 conference facilitates interdisciplinary collaboration and exchange among technologists internationally.

**Mission:** To provide the highest quality orthopaedic education to learners and practitioners of all levels.

**Vision:** Through our inspiring international faculty, innovative programming, and vibrant interactions among all attendees, Arthroplasty 2022 aspires to be the best orthopaedic educational event in the world.

We believe we have created both an exciting programme and conference structure which was designed to stimulate discussion and participation of attendees from different corners of the world. Arthroplasty 2022 is eagerly waiting in addressing all the participants, scholars, researchers and industrial professionals to make the gathering more successful.

Paris will provide a wonderful backdrop to our meeting and you will have the opportunity to enjoy a fantastic social and scientific programme. We look forward to welcoming you to Paris.

Regards
